## **INDEPENDENT AUDITOR'S REPORT**

To the Managing Committee of Lords Education & Health Society

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Lords Education & Health Society ("LEHS" or "the Society"), a society registered under the Societies Registration Act, 1860, which comprise the Balance Sheet as at March 31, 2015, the Income and Expenditure Account, the Receipts and Payments Account for the year then ended; a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of LEHS in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Society as at March 31, 2015;
- (b) in the case of the Income and Expenditure Account, of the excess of expenditure over income for the year ended on that date; and
- (c) in the case of the Receipts and Payments Account, of the excess of payments over receipts for the year ended on that date.

**1. Basis of preparation**

The financial statement of Lords Education & Health Society ("LEHS" or "Society") has been prepared in accordance with generally accepted accounting practices in India (Indian GAAP). The financial statements have been prepared on an accrual basis and under the historical cost convention.

**1.1 Summary of significant accounting policies**

**a) Use of estimates**

The preparation of financial statements requires the management to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and the disclosures of contingent liabilities, at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

**b) Fixed assets**

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Cost of acquisition is net of grants, if any, received for acquiring the assets.

Gains or losses arising from de-recognition of an fixed asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Income and Expenditure Account when the asset is derecognized.

**c) Depreciation on fixed assets**

Depreciation on fixed assets is provided on the written down value of the fixed assets as per the rates given in the Income tax Act, 1961 on a pro-rata basis, from the date of purchase or from the date when is first put to use, whichever is earlier.

Depreciation on asset sold is ascertained on pro-rata basis till the date of sale.

**d) Intangibles assets and their amortization**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the Income and Expenditure Account in the year in which the expenditure is incurred.

Intangible assets are amortized on the written down value of the fixed assets as per the rates given in the Income tax Act, 1961 over the estimated useful economic life. All intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Income and Expenditure Account when the asset is derecognized.

**e) Impairment**

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, fixed assets / intangibles assets are depreciated / amortized on the revised carrying amount over its remaining useful life.

**Lords Education & Health Society**  
**Schedule forming part of the Financial Statements as at and for the year ended March 31, 2015**  
**(All amounts are in Indian Rupees)**

**f) Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of twelve months or less.

**g) Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to LEHS and the revenue can be reliably measured.

**h) Grants**

Grants received are recorded in the books on the date when the amount is actually credited in the bank account. Foreign grants are recorded in the books on the similar basis by applying the exchange rate as per AS-9 and AS-11. Grants received against specific fixed assets are presented in the Balance Sheet by disclosing the grant as a deduction from the gross value of the assets concerned in arriving at their book value. Where the grant related to a specific fixed asset equals the whole, or virtually the whole, of the cost of the asset, the asset is shown in the Balance Sheet at a nominal value. Depreciation in such a case is charged on asset value, net of grant.

Revenue grants, are recorded in the books on the date when the amount is actually credited in the bank account.

**i) Expenses**

Expenses are in the nature of employee related expenses; program expenses; administrative expenses; miscellaneous expenses are recorded on accrual basis.

**j) Foreign currency transactions and balances**

**i) Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

**ii) Conversion**

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Receipts in foreign currency are translated at the rates applicable on the date of the transactions. All transactions during the year have been converted at the actual rate applicable as certified by the principal bankers where FCRA account is being maintained. Rate of remittances to the said Offices is as under:

Location of office	Currency	Equivalent INR
Delhi	U.S Dollar	Rs 61.16

**iii) Exchange differences**

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of LEHS at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of LEHS at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

**Lords Education & Health Society**

**Schedule forming part of the Financial Statements as at and for the year ended March 31, 2015**

**(All amounts are in Indian Rupees)**

**k) Provisions**

Provisions are recognized when there is a present obligation as a result of past event, for which it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provision is not discounted to its present value and is determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the best current estimate.

**l) Corpus fund**

Contributions received from members and non-members towards lifetime membership of the society, where the amount contributed is not refundable in the event of membership termination, are credited under the caption "Corpus Fund" in the Balance Sheet.

10. LEHS operates under a single (primary) segment viz, Education and Health care and currently operating in State of Rajasthan only. Further, there are no reportable geographical segments based on parameters given in Accounting Standard on Segment Reporting (AS - 17) issued by the Institute of Chartered Accountants of India. Accordingly, additional segment reporting disclosures are not required to be given.
11. The Society has obtained registration under section 12A & 80G of The Income Tax Act, 1961 with effect from November 24, 2003. The society is exempt under section 11 of the Income Tax Act with respect to the income and the donors are also eligible to certain tax exemptions under the Income Tax Act. These registrations are valid as on date of financial statements.
12. There are no related party relationships and transactions as defined in Accounting Standard on Related party Disclosures (AS 18) issued by the Institute of Chartered Accountants of India.
13. On the basis of information available with LEHS, there are no transactions with any micro, small or medium enterprises as defined under the Micro, small and medium enterprises development Act, 2006.
14. The figures of previous year were audited by a firm of Chartered accountants other than S.R. Batliboi & Associates LLP and have been regrouped and reclassified wherever necessary, to conform to the current year's classification.
